5th ANNUAL SOUTH ALABAMA BASKETBALL CAMP

**Elite Camp
June 12**

CAMP OVERVIEW

Our camps are designed to give campers the proper instruction and guidance to help them reach their full potential as basketball players. In these sessions, campers will learn the proper skills and techniques of shooting, passing, ball handling, and defending.

Great players are made in the summer. We understand that four days of camp alone will not immediately make you a great player. If you take the lessons and drills taught to you by our coaching staff and apply them to your workouts at home, you will see tremendous results.

Jaguar basketball players will also be available to teach players the basic fundamentals of basketball.
