5th ANNUAL SOUTH ALABAMA Team CAMP

Team Camp
June 10-11

CAMP OVERVIEW

Our camps are designed to give campers the positive experience and to help them reach their full potential as basketball players. In these sessions players will be able to compete against other teams as a member of their current team.

Great players are made in the summer. We understand that a few of camp alone will not immediately make you a great player, but we hope that this experience will help players reach their goals.

Jaguar basketball players will also be at the camp.
